San Antonio, TX, September 24, 2013 - Over a decade in the making, **Mike Ryan Coyotes** is releasing his long-awaited solo CD, *The Fury*, featuring legendary **Grammy Award-Winning** keyboardist/accordionist, **Augie Meyers** and **Grammy Award-Winning** guitarist, **José Alvarez**. Recorded at **Blue Cat Studios** and **Spanish Dagger Studios**, *The Fury* was co-produced by Ryan with four-time **Grammy Award-Winner**, **Joe Treviño**. Former band mate, **Blake Smithson**, served as executive producer.

Ryan is known as the former front man to the San Antonio favorite, **Coyote Dreams**. At the peak of popularity, Coyote Dreams won four **San Antonio Current** Music Awards in 1995 including "**Band of the Year**" and "**Best Alternative Band**." Ryan was named "**Best Songwriter**," and the band's album, *Vuela*, took home the "**Best Album**" honors. The following year Coyote Dreams reclaimed their "**Best Alternative Band**" title.

After Coyote Dreams, Ryan has continued performing as a solo act and most recently as front man/bandleader of his own project, **Mike Ryan Coyotes** comprised of Jose Alvarez, Jeremy Jacob, Odie, Val Cronk, and Joi Evermore. Mike Ryan Coyotes can be seen performing Tuesday nights at **Barribas Cantina** beginning in October.

The **CD Release Party** scheduled for **October 5th** at **Hi-Tones** is not to be missed, however, with special guest appearances by Coyote Dreams and Evergreen alumni. **Cryin' D.T. Buffkin & the Bad Breath**, called "**one of SA's most intriguing up-and-coming acts**" by the **San Antonio Current**, will open the evening. The show is also sponsored by **SOAH Tequila**.
